Rustic. Textured. Aged.

Introducing BeachClad. This trending new product range, in Knotty Grade Western Red Cedar, has a rustic bandsawn face and comes in a range of pre-finished, beach-themed colour washes. Designed to produce the effect of age-weathered or charred timber, BeachClad allows architects and designers to specify rustic, seasoned timber from the outset, resulting in yearned-after natural vogue effects. Available in four popular Cedar Sales profiles, BeachClad offers distinctive styling and plenty of versatility.
